**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF BOSTON UNIVERSITY ALUMNI  
ASSOCIATIONS HONG KONG LIMITED**  
*(Incorporated in Hong Kong with liability limited by guarantee)*

We have audited the financial statements of Boston University Alumni Associations Hong Kong Limited (the "Association") set out on pages 5 to 11, which comprise the statement of financial position as at 31 March 2011, and the statement of comprehensive income, statement of changes in accumulated surplus and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

*Executive Committee's responsibility for the financial statements*

The Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body corporate, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial statements give a true and fair view of the state of the Association's affairs as at 31 March 2011 and of its results and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

**BOSTON UNIVERSITY ALUMNI ASSOCIATIONS HONG KONG LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
*(Expressed in Hong Kong dollars)*

**1. GENERAL INFORMATION**

The Association is a company incorporated and domiciled in Hong Kong and is limited by guarantee with no share capital. The registered office and principal place of business of the Association is located at House 6, 6<sup>th</sup> Street, Hong Lok Yuen, Tai Po, New Territories. The principal activity of the Association is to provide informative and social activities for its members.

The maximum number of members of the Association shall be unlimited. The number of members of the Association as at 31 March 2011 was 552 (2010 : 602).

**2. LIABILITY OF MEMBERS**

In accordance with the memorandum of association of the Association, every member shall, in the event of the Association being wound up, contribute such amount as may be required to meet the Association's liabilities but not exceeding HK\$100.

**3. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance.

The measurement basis used in the preparation of the financial statements is the historical cost.

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on a going concern basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### 4. CHANGES IN ACCOUNTING POLICIES

The HKICPA has issued revised HKFRSs, a number of amendments to HKFRSs and new Interpretations that are first effective for the current accounting period of the Association. The application of these HKFRSs has no material effects on the financial performance and positions of the Association.

The Association has not applied any new standard or interpretation that is not yet effective for the current accounting period.

#### 5. SIGNIFICANT ACCOUNTING POLICIES

##### (a) Provisions and contingencies

A provision is recognised when there is a present obligation, legal or constructive, as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed regularly and adjusted to reflect the current best estimate. Where the effect of the time value of money is material, the amount of a provision is the present value of the expenditures expected to be required to settle the obligation.

A contingent liability is a possible obligation that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Association. It can also be a present obligation arising from past events that is not recognised because it is not probable that outflow of economic resources will be required or the amount of obligation cannot be measured reliably.

A contingent liability is not recognised but is disclosed in the notes to the financial statements. When a change in the probability of an outflow occurs so that outflow is probable, they will then be recognised as a provision.

##### (b) Cash and cash equivalents

Cash and cash equivalents comprise cash and bank balances and demand deposits, and short term highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired.

For the purpose of statement of cash flows, bank overdrafts that are repayable on demand and form an integral part of the Association's cash management are also included as a component of cash and cash equivalents.

**5. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

(c) Revenue recognition

Revenue is recognised when it is probable that the economic benefits will flow to the Association and when the revenue can be measured reliably. Members' and subscription fees are accounted for on an accrual basis.

**6. EXECUTIVE COMMITTEE MEMBERS' REMUNERATION**

No remuneration to Executive Committee members required to be disclosed pursuant to Section 161 of the Hong Kong Companies Ordinance was incurred by the Association during the year. In addition, no remuneration shall be payable to any person acting as an Executive Committee member of the Association in accordance with article 40 of the Association's articles of association.

**7. INCOME TAX**

Income tax has not been provided for in the financial statements as the Executive Committee members consider that the Association is deemed not to carry on a business and the surplus/(deficit) is not assessable to Hong Kong profits tax under Section 24(1) of the Inland Revenue Ordinance.

**8. APPROVAL OF FINANCIAL STATEMENTS**

The financial statements were approved and authorised for issue by the Executive Committee on - 8 DEC 2011
