

Welcoming Party for undergraduate freshmen 2009

Going away to college is a big transition! A Welcoming Party was designed for all freshmen in Hong Kong to make that transition easier. The party provided an overview of the extensive range of opportunities available to all new students at Boston University. Vice Chairman of BUAHK, Mr. Lincoln Chan and one of our alumni representatives, Mr. Joe Tse (SMG 06) attended the party and gave them an exciting and valuable sharing.
